# Welcome to the 2019 Lake Sullivan People Locator

*Presented by Lake Sullivan  
Association, Inc.*

This information is not intended for use in any navigation or real estate scenario. It is simply an attempt to show the relative location of properties and associated names around Lake Sullivan. All riparian (shoreline) lake parcels are numbered but some may not be associated with a name. Parcels may not be always accurately sized. In multi-parcel ownership cases, any one of the parcels may be marked with the Loc#. Loc#\* indicates a property not on the lake but with a legal access to the lake through the numbered property.

The associated resident names are sorted by Name and sorted by Map#. You may use either to find people associated with a property or the property associated with people.

Please notify us by email at [lakesullivanassociation@gmail.com](mailto:lakesullivanassociation@gmail.com) or write to LSA, Inc., PO Box 16, Hillman, MN 56338 with any omissions, errors, and or inaccuracies.
