The information shown above is from our current records. Please review it for accuracy. Please correct any incomplete, missing, or out-of-date information using the available boxes. Please print clearly. Indicate your preferences for including this information in the LSA Directory and whether you wish to receive a Directory and People Locator.

\*The mailing address line is the address we would use for association USPS mailings such as minutes, newsletters and voting ballots. Providing an email address allows LSA to save on postage, paper, and time for these communications. This information is held in the strictest confidence and is only used for pertinent communications regarding your lake association.
